NOTE :

- The above chart is our suggested guideline for model applications.
Chain link lengths may vary depending on your country's model.
- If your stock motorcycle came with an "ENDLESS" chain, a replacement chain must be installed with a rivet type connecting link.

NOTE :

- **The above chart is our suggested guideline for model applications.
Chain link lengths may vary depending on your country's model.**
- **If your stock motorcycle came with an "ENDLESS" chain, a replacement chain must be installed with a rivet type connecting link.**

NOTE :

- The above chart is our suggested guideline for model applications.
Chain link lengths may vary depending on your country's model.
- If your stock motorcycle came with an "ENDLESS" chain, a replacement chain must be installed with a rivet type connecting link.

NOTE :

- The above chart is our suggested guideline for model applications.
Chain link lengths may vary depending on your country's model.
- If your stock motorcycle came with an "ENDLESS" chain, a replacement chain must be installed with a rivet type connecting link.
